Commentary on the Constitution of India | April 30 2023 Dr. P.K. Agrawal is firstclass first in law and a gold medalist from University of Allahabad in 1973. He started his career as lecturer in law. He did LL.M. from Calcutta University when he was the District Magistrate in IAS cadre of West Bengal in 1987. He was awarded D.Phil in Law from Allahabad University in 1992 for review of land laws of Uttar Pradesh. Dr. Agrawal worked as Joint Secretary, Department of Justice, Ministry of Law and Justice, Govt. of India from 1997 to 2002, where he tried to implement judicial reforms. He was also a member of threemen drafting committee of the I.T. Act. Dr. Pramod Kumar Agrawal is a prolific writer of Hindi and English and has sixty books to his credit. He worked as an Advocate and partner after retirement with Khaitan & Company, a leading law firm. At present, Dr. Agrawal is the Managing Partner, VAS GLOBAL, a New Delhi based law

firm.

Before Memory Fades 15 2022 Before Memory Fades by Fali S. Nariman is a revelatory, comprehensive and perceptive autobiography – candid, compelling and authoritative. Internationally admired and respected, Fali S. Nariman is a senior advocate of the Supreme Court of India. He began his career at the Bombay High Court in November 1950, and has since been active in the legal profession. Over the years, he has held several prestigious posts at both the national and international levels. He became a Member of Parliament (Rajya Sabha) in November 1999. He is the recipient of the Padma Bhushan (1991) and the Padma Vibhushan (2007). Starting with his formative years, when he had the good fortune to interact with many eminent judges and advocates, Fali S. Nariman moves on to deal with a wide variety of important subjects, such as, the sanctity of the Indian Constitution and attempts to tamper with it. crucial cases that have made a decisive impact on the nation, especially on the interpretation of the law, the relations between the political class and the judiciary, the cancer of corruption and how to combat this menace, the author outlines measures to restore the now-low credibility of the legal profession, he also delineates his role in several high-profile cases. In recognition of his track record, the Government of India nominated him to the Rajya Sabha. He describes the highlights of his tenure there. Both members of the legal profession and the lay reader will find the contents informative and useful.

CRIMINAL AND CONSTITUTIONAL LAW IN MALAYSIA: A COMPARATIVE

APPROACH Aug 10 2021 Criminal Law and Constitutional Law in Malaysia: A

Comparative Approach is a solid, application-oriented text for students taking law subjects. Many new features make this edition a richer and stronger learning resource for students. Several factors motivated the authors to write this book. After having the experience in legal field and teaching for more than 10 years, it became clear that there was a definite need for more detail materials in this area. In addition, there was need for a book which would give full recognition to an easier method and the authors felt it was for a text which would develop the ideas and methods with this in mind. This book covers a thorough discussion of the development of law in Malaysia; especially criminal and constitutional law matters. A major audience for the book will be students studying these subjects. The order of topics, however, provides a degree of flexibility, so that the book will be of interest to different readers through basic concepts until the advanced concepts (the discussion of the cases). The purpose of this book is to take the readers on an introduction to Malaysian Criminal and Constitutional Law by which the meaning of such subject at basic level is better understood. Hopefully, this book can be benefited by the readers in their journey to success.

Landmark Judgments of Supreme Court, 1950-2007 2020

Fundamental Rights and Their Enforcement Sep 23 2022 La 4e de couverture indique :

"India is credited with having one of the finest democratic constitutions in the world. rightly so. For, even though the Indian Constitution has undergone many amendments has been subjected to a lot of criticism, it has stood the test of time and has emerged

beacon of hope, ensuring liberty, equality and justice to the citizens. It is in this context that a comprehensive and systemically organized book on Fundamental Rights and Their Enforcement, written by Prof. Udai Raj Rai, an eminent academic with great legal acumen, becomes so significant. The book is a study on the fundamental rights guaranteed under Part III of the Constitution. Divided into 15 chapters each chapter is again divided into parts the book discusses in detail Liberty-based rights such as right to freedom of expression and other article 19 rights; life and personal liberty; preventive detention, capital punishment and prisoners rights; and freedom of religion. Then it goes on to give an in-depth analysis of Equality-based rights equality before law, non-discrimination and equal opportunity; social reservation; Liberty and Equality-based rights social equality and right to education as well as minority rights to establish and administer educational institutions. The book concludes with a comprehensive coverage on reach of fundamental rights; its violation; enforcement of the rights; Directives in Principles of State Policy; and the fundamental duties of citizens. The book being a juridical study, the emphasis throughout is on analytical and critical study of important Supreme Court judgments. So, such major judgments as A.K. Gopalan and Maneka are highlighted. The distinction between pre-Maneka and post-Maneka jurisprudence is also clearly brought out. Besides, there is an elaborate discussion on the right to information, special problems regarding media freedom, and the Law of Contempt of Court which, the author feels, needs amendment. This well-balanced and well-researched book is intended as a text for postgraduate students of law (LL.M.) and as a reference for undergraduate students of law (LL.B., BA LL.B.). It should also serve as a valuable reference to lawyers, judges, and the teaching community. KEY FEATURES : Gives an analytical and critical study of Supreme Court judgments in relation to fundamental rights. Highlights the need for testing the laws on the touchstone of Secularism. Shows the need for balancing the State's regulatory power and educational rights of the minorities. Gives recent Supreme Court decisions in the Addenda at the end of the book"

Indian Political Trials, 1775-1947 Apr 25 2020 The Book Examines 12 Significant Political Trials In Indian History From The Early Colonial Era To The Birth Of Free India- Maharaja Nanda Kumar, Zafar, Tilak, Aurobindo, Shankaracharya, Ali Brothers, Gandhi, Sheikh Abdullah To Judicial Decisions That Became Turning Points In India's Past.

Judiciary on Trial Nov 25 2022

Landmark Judgements That Changed India Jul 09 2021 The executive, the legislature and the judiciary are the three branches of government, both state and central, in India. Of these, it is the judiciary's task to uphold constitutional values and ensure justice for all. The interpretation and application of constitutional values by the judicial system has had a far-reaching impact, often even altering provisions of the Constitution itself. Although the legal system was originally based on the broad principles of the English common law, over the years it has been adapted to Indian traditions and been changed, for the better, by

certain landmark verdicts. In *Landmark Judgments that Changed India*, former Supreme Court judge and eminent jurist Asok Kumar Ganguly analyses certain cases that led to formation of new laws and changes to the legal system. Discussed in this book are judgments in cases such as *Kesavananda Bharati v. State of Kerala* that curtailed the power of Parliament to amend the Constitution; *Maneka Gandhi v. Union of India and Others* that defined personal liberty; and *Golaknath v. State of Punjab*, where it was ruled that amendments which infringe upon fundamental rights cannot be passed. Of special significance for law students and practitioners, this book is also an ideal guide for any interested in the changes made to Indian laws down the years, and the evolution of the judicial system to what it is today.

Constitutional Development in India Feb 04 2021

Court Martial Processes Jul 21 2022 The book comprehensively covers the subject of Court Martial, expanding the concept of the decision-making process of court-martial, for the reasons contextually explained, to include not only the decisions of court-martial proper on various issues before it, but also the pre and the post-trial matters, including investigation of the reported offence and review of the trial proceedings. Some of the specific questions designed to cover the subject relate to highly debatable and sensitive issues, such as the desirability of extending the court-martial jurisdiction to all civilian offenders in terror-struck areas like J&K. Similarly, much controversial Service issues, like command influence, human right violations by armed forces personnel, advisability of continuing with summary court-martial in the Army, the court-martial verdict being a foregone conclusion and the trial procedure mere formality, the requirement of providing for bail and plea bargaining in the court-martial procedure et al, have been included in the book.

Basic Rights and Their Enforcement May 27 2020

The Jurisprudence of Emergency May 07 2021 The *Jurisprudence of Emergency* examines British rule in India from the late eighteenth to the early twentieth century, tracing tensions between the ideology of liberty and government by law used to justify colonizing power's insistence on a regime of conquest. Nasser Hussain argues that the interaction of these competing ideologies exemplifies a conflict central to all Western systems—between the universal, rational operation of law on the one hand and the absolute sovereignty of the state on the other. The author uses an impressive array of historical evidence to demonstrate how questions of law and emergency shaped colonial rule, which in turn affected the development of Western legality. The pathbreaking insights developed in *The Jurisprudence of Emergency* reevaluate the place of colonialism in modern law by depicting the colonies as influential agents in the interpretation of Western ideas and practices. Hussain's interdisciplinary approach and subtly shaded revelations will be of interest to historians as well as scholars of legal and political theory.

Right to Constitutional Remedies in Indian Constitution Jun 03 2021

Conflicts Between Fundamental Rights Dec 22 2019 Every human rights lawyer, at some point or other, comes across an issue of conflicting human rights. Yet there is surpris

little literature on this issue; especially if one wants to examine the matter at a general level, above specific conflicts such as those between freedom of expression and the right to non-discrimination, or between religious freedom and women's rights. The international conference on conflicts between fundamental rights, which took place in Ghent (Belgium) in December 2006, brought together a diverse group of human rights scholars who reflected on this issue from different angles. The papers in this volume are selected from among those that were presented at the conference. The issue of conflicting rights is examined in both domestic and international human rights law, and deals with many different types of human rights, including economic and social rights. Some are empirical, describing and analyzing how courts and legislators deal with these issues. Others adopt a normative approach, establishing criteria that may guide future judges and lawmakers confronted with conflicts between fundamental rights.

Constitutional Law of India Dec 02 2020

Jurnal Undang-undang Mar 25 2020

Emergency Chronicles Jan 23 2020 The gripping story of an explosive turning point in the history of modern India On the night of June 25, 1975, Indira Gandhi declared a state emergency in India, suspending constitutional rights and rounding up her political opponents in midnight raids across the country. In the twenty-one harrowing months that followed, her regime unleashed a brutal campaign of coercion and intimidation, arresting and torturing people by the tens of thousands, razing slums, and imposing compulsory sterilization on the poor. Emergency Chronicles provides the first comprehensive account of this understudied episode in India's modern history. Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely by Gandhi's desire to cling to power, arguing that it was as much the product of Indian democracy's troubled relationship with popular politics. Drawing on archival records, private papers and letters, published sources, film and literary materials, and interviews with victims and perpetrators, Prakash traces the Emergency's origins to the moment of India's independence in 1947, revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights. He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest which Gandhi sought to crush by paradoxically using the law to suspend lawful rights. His failure to preserve the existing political order had lasting and unforeseen repercussions, opening the door for caste politics and Hindu nationalism. Placing the Emergency within the broader global history of democracy, this gripping book offers invaluable lessons for today as the world once again confronts the dangers of rising authoritarianism and populist nationalism.

The Constitutional Law of India : Dispenser of India's Destiny Apr 18 2022 This book Constitutional Law of India – Dispenser of India's Destiny intends to provide its readers with basic knowledge about the Indian Constitution.

Routledge Handbook of South Asian Politics Feb 16 2022 The Routledge Handbook of South Asian Politics examines key issues in politics of the five independent states of the South Asian region: India, Pakistan, Bangladesh, Sri Lanka, and Nepal. Written by

experts in their respective areas, this Handbook introduces the reader to the politics of South Asia by presenting the prevailing agreements and disagreements in the literature. In the first two sections, the Handbook provides a comprehensive introduction to the modern political history of the states of the region and an overview of the independence movements in the former colonial states. The other sections focus on the political changes that have occurred in the postcolonial states since independence, as well as the successive political changes in Nepal during the same period, and the structure and functioning of the major governmental and non-governmental institutions, including the structure of the state (unitary or federal), political parties, the judiciary, and the military. Further, the contributors explore several aspects of the political process and political and economic change, especially issues of pluralism and national integration, political economy, corruption and criminalization of politics, radical and violent political movements, and the international politics of the region as a whole. This unique reference work provides a comprehensive survey of the state of the field and is an invaluable resource for students and academics interested in South Asian Studies, South Asian Politics, Comparative Politics and International Relations.

The Nature of the Judicial Process | 05 2021 In this famous treatise, a Supreme Court Justice describes the conscious and unconscious processes by which a judge decides. He discusses the sources of information to which he appeals for guidance and analyzes the contribution that considerations of precedent, logical consistency, custom, social welfare and standards of justice and morals have in shaping his decisions.

From Shipbreaking to Sustainable Ship Recycling | 22 2022 This book analyses the contribution of the IMO International Convention for the Safe and Environmentally Sound Recycling of Ships to sustainable ship recycling against the backdrop of present practices and third world approaches to sustainable development.

Democracy, Politics, and Judiciary in India | 22 2020

Appointment of Judges to the Supreme Court of India | 11 2021 In Supreme Court Advocates-on-Record Association v. Union of India, the Supreme Court of India, by majority, struck down the National Judicial Appointments Commission (NJAC), established to appoint judges to the Supreme Court of India and High Courts. Unsurprisingly, the NJAC judgment has been the subject of a deeply polarized debate in the public sphere and academia. The essays in this volume analyse the NJAC judgment, and provide a rich context to it, in terms of philosophical, comparative, and constitutional issues that underpin it. The work traces the history of judicial appointments in India; analyses constitutional principles behind selecting judges and their application in the NJAC Case; and comparatively examines the judicial appointments process in six select countries-UK, South Africa, Pakistan, Sri Lanka, Canada, and Nepal-enquiring into what makes a good judge and an effective appointments process.

Political Change | 14 2021

Triple Talaq | 13 2021 Triple talaq, or talaq-e-bidat, is one of the most debated issues in the Muslim world. From antiquity, the Muslim faith has been plagued by the portrayal

of Muslim men regularly misusing this perceived "right" to divorce their wives instantly by simply uttering "talaq" thrice. The Supreme Court of India, in the landmark judgment of Shayara Bano v. Union of India, has taken the step to declare this form of talaq unconstitutional and to strike down its practice. In *Triple Talaq: Examining Faith*, Salma Khurshid, who intervened to offer the court an amicus brief in the "Triple Talaq case", offers a straightforward yet comprehensive overview of this complicated issue. Explaining the reasons behind the court's decision, he dives deep into other aspects of this practice: why it is wrong; why it has thrived; what was the judicial history of this issue; what the Quran and Muslim religious leaders say about it; and what the comparative practices in other countries are. A handy guide to this landmark decision and what it means for Muslims in India, this book is written not just for the theologian, but also for the common reader.

Indian Legal History 2006
Mar 29 2023 The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, is a key piece of forest legislation passed in India on 18 December 2006. It has also been called the Forest Rights Act, the Tribal Rights Act, the Tribal Bill, and the Tribal Land Act. The law concerns the rights of forest-dwelling communities to land and other resources, denied to them over decades as a result of the continuance of colonial forest laws in India.

Indian Constitution
Sep 30 2020 The Oxford Handbook of the Indian Constitution
Mar 17 2022 The Indian Constitution is one of the world's longest and most important political texts. Its birth, over six decades ago, signalled the arrival of the first major post-colonial constitution and the world's largest and arguably most daring democratic experiment. Apart from greater domestic focus on the Constitution and the institutional role of the Supreme Court within India's democratic framework, recent years have also witnessed enormous comparative interest in India's constitutional experiment. The Oxford Handbook of the Indian Constitution is a wide-ranging, analytical reflection on the major themes and debates that surround the Indian Constitution. The Handbook provides a comprehensive account of the developments and doctrinal features of India's Constitution, as well as articulating frameworks and methodological approaches through which studies of Indian constitutionalism, and constitutionalism more generally, might proceed. Its contributions range from rigorous legal studies of provisions within the text to reflections upon historical trends and social practices. As such the Handbook is an essential reference point not merely for Indian and comparative constitutional scholars, but for students of Indian democracy more generally.

An Introduction to the Study of the Law of the Constitution
Jun 08 2021 A starting point for the study of the English Constitution and comparative constitutional law, *The Law of the Constitution* elucidates the guiding principles of the modern constitution of England: the legislative sovereignty of Parliament, the rule of law, and the binding force of unwritten conventions.

10 Judgements That Changed India
May 19 2022 Who was Shah Bano and why was her alimony pertinent to India's Secularism? Does the fundamental right to life include the

right to livelihood and shelter? Where there is the right to live, is there also the right to die? How did Bhanwari Devi's Rape help define sexual harassment at the workplace? Here are the Supreme Court's ten pivotal judgements that have transformed Indian democracy and redefined our daily lives. Exploring vital themes such as custodial death, reservations and environmental jurisprudence, this book contextualizes the judgements, explains key concepts and maps their impacts. Written by one of India's most respected lawyers, *Ten Judgements That Changed India* is an authoritative yet accessible read for anyone keen to understand India's legal system and the foundations of our democracy.

The Law of Emergency Powers (2022) This book presents a comprehensive legal and constitutional study of emergency powers from a comparative common law perspective. It is one of very few comparative studies on three jurisdictions and arguably the first to explore in detail various emergency powers, statutory and common law, constitutional and statutory law, martial law and military acting-in-aid of civil authority, wartime and peacetime invocations, and several related and vital themes like judicial review of emergency powers (existence, scope and degree). The three jurisdictions compared here are: the pure implied common law model (employed by the UK), implied constitutional model (employed by the USA) and the explicit constitutional model (employed by India). The book's content has important implications, as these three jurisdictions collectively cover the largest population within the common law world, and also provide maximum representative diversity. The book covers the various positions on external emergencies, opposed to internal emergencies, economic/financial emergencies, and emergent inroads being made into state autonomy by the central or federal governments, through use of powers like Article 356 of the Indian Constitution. By providing a detailed examination of the law and practice of emergency powers, the book shares a wealth of valuable insights. Specific sub-chapters address questions like – what is the true meaning of 'martial law'; who can invoke 'martial law'; when can it be invoked and suspended; what happens when the military is called in to aid civilian authorities; can martial law be deemed to exist or coexist when this happens; what are the limits on state powers when an economic emergency is declared; and, above all, can, and if so, when and how should courts judicially review emergency powers? These and several other questions are asked and answered in this study. Though several checks and constraints have been devised regarding the scope and extent of 'emergency powers,' these powers are still prone to misuse, as all vast powers are. A study of the legal propositions on this subject, especially from a comparative perspective, is valuable for any body politic that aspires to practice democracy, while also allowing constitutionally controlled aberrations to protect that democracy.
