The characters in a Vermont town, both adult and children, tell from their perspectives the effect that the Ku Klux Klan has in the town. Score of Act IV only of Purcell's opera adapted from Shakespeare's Midsummer night's dream. Aphra Behn (1640-89) was both successful and controversial in her own lifetime; her achievements are now recognized less equivocally and her plays, often revived, demonstrate wit, compassion and remarkable range. This edition brings together her most important comedies in a single volume: The Rover, her best-known play; The Feigned Courtesans, a lively comedy of intrigue; The Lucky Chance, a comedy with a bitter edge, which takes a satirical look at marriage customs; and the dazzling and popular farce, The Emperor of the Moon. All the plays have been newly edited and are presented with modernized spelling and punctuation. This is one of Shakespeare's darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the more disturbing story of the Jewish moneylender Shylock and his demand for the "pound of flesh" owed him by the Venetian

merchant, Antonio. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best. Each Edition Includes: • Comprehensive explanatory notes • Vivid introductions and the most up-to-date scholarship • Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English • Completely updated, detailed bibliographies and performance histories • An interpretive essay on film adaptations of the play, along with an extensive filmography

Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption. Gabriel Copeland's husband, a police officer is shot during a robbery. She sets out to get revenge on the people who she considers responsible for his death.... When Special Agent Ward Jansen gathers his staff, he writes the words "Act IV" on the black board and exclaims, "In Shakespeare's Henry the Sixth, Act 4, Dick the butcher exclaims, 'The first thing we do, let's kill all the lawyers.' In Shakespeare's play this is said in jest, but in our case, we have someone who is very serious. We need to find this person. We know, from the evidence, that this person is someone who believes very strongly in our laws. We also know that this person is working from some type of a list, by the way he is moving around the country. We need to find out... What would change a law abiding citizen into a serial killer, one who is out to kill the top defense attorneys in the country!" A full-color, hardcover collector's edition of the landmark webcomic. Years in the past, but not many, a webcomic launched that would captivate legions of devoted fans around the world and take them on a mind-bending, genre-defying epic journey that would forever change the way they look at stairs. And buckets. And possibly horses. Now this sprawling saga has been immortalized on dead trees with notes from author Andrew Hussie explaining what the hell he was thinking as he brought this monster to life. A must-have for Homestuck fans who want to re-experience the saga or for new readers looking for a gateway to enter this rich universe. Four kids start playing a game. Along the way they're bound to encounter sprites, exiles, guardians, consorts, time-hopping future selves, mystical dream oracle doppelgangers, paradox clones, a Secret Wizard, too many Daves, incompetent trolling, and the human emotion called friendship.

"The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government

blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller. A young man stands in his bedroom. It just so happens that he's about to embark on an adventure involving birthday cakes, magic chests, hammers, arms (detachable and otherwise), harlequins, imps, eccentric architecture, movable home furnishings, bunnies, and a video game that will destroy the world. -- VIZ Media
