This book examines a key aspect of the post-financial crisis reform package in the EU and UK-the ratcheting up of internal control in banks and financial institutions. The legal framework for internal controls is an important part of prudential regulation, and internal control also constitutes a form of internal gate-keeping for financial firms so that compliance with laws and regulations can be secured. This book argues that the legal framework for internal control, which is a form of meta-regulation, is susceptible to weaknesses, and such weaknesses are critically examined by adopting an interdisciplinary approach. The book discusses whether post-crisis reforms adequately address the weaknesses in regulating internal control and proposes an alternative strategy to enhance the 'governance' effectiveness of internal control. BPP Learning Media's status as official ACCA Approved Learning Provider - Content means our DipIFR Study Texts and Practice & Revision Kits are reviewed by the ACCA examining team. BPP Learning Media products provide you with the up-to-date material you need for exam success. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international

profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The ACCA F4 UK syllabus seeks to develop knowledge and understanding of the English legal framework that is relevant to the business context in which accountants work. Human Rights law is also important and students must appreciate the fact that further legal advice should be sought where necessary. The syllabus also covers how businesses are affected by the law, including: * The types of business that can be established * How companies are formed, administered, financed and closed down * How businesses trade * How a business deals with its employees * The impact of ethics and corporate governance. This examiner reviewed F4 UK text takes the reader on a journey from complete novice to an accountant who has a good understanding of the legal issues relevant to businesses. It comprehensively covers all the detail required to pass the ACCA's law exam and according to the examiner "makes the task of coming to terms with it almost enjoyable". BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. ACCA Approved and valid for exams from 01 Sept 2017 up to 30 June 2018 - Becker's P1 Governance, Risk and Ethics Study Text has been approved and quality assured by the ACCA's examining team. The rise of CSR (corporate social responsibility) is creating a paradigm shift in contemporary corporate culture and organizational behaviour with shareholder and stakeholder activism on the rise as international banking crises and global corporate scandals dominate the headlines. Through accountability and transparency, fiduciary capitalism is being challenged to tie sustainability and corporate conscience to the bottom line. With the emergence of impact investing, social responsibility and ethics in corporate governance is becoming essential to long-term success in the new global marketplace. Corporations need to demonstrate that ethical, environmentally conscious business practices and

profit are no longer mutually exclusive. Justine Simpson and John R. Taylor's *Corporate Governance Ethics and CSR* gives the reader a comprehensive guide to today's requirements for governance and reporting that organizations must adopt to successfully strike a balance between financial gain and socially responsible, green business practices that enhance the greater good. Employing current examples (Walmart, Goldman Sachs, Citigroup) and case studies in both the public and private sectors, Simpson and Taylor have compiled a thorough and fascinating roadmap, including historical context, for anyone seeking to understand the complex workings of the international corporate economy that affects us all. This book is perfect for students of, and those wishing to participate in, this revolutionary wave sweeping our planet. How is the world of professions and professional work changing? This book offers both an overview of current debates surrounding the nature of professional work, and the implications for change brought about by the managerialist agenda. The relationships professionals have with their organizations are variable, indeterminate and uncertain, and there is still debate over the ways in which these should be characterized and theorized. The contributors discuss these implications with topics including hybrid organizations and hybrid professionalism; the changing nature of professional and managerial work; profession and identity; and the emergence of HRM as a new managerial profession. This book will be of interest to academics and postgraduate students seeking a comparative study on contemporary professional work. It will also be of use to a number of practitioners, namely human resource managers, looking for ways in which to approach the changing professional world. Thoroughly revised, updated, and expanded, *The SAGE Encyclopedia of Business Ethics and Society, Second Edition* explores current topics, such as mass social media, cookies, and cyber-attacks, as well as traditional issues including accounting, discrimination, environmental concerns, and management. The new edition also includes an in-

depth examination of current and recent ethical affairs, such as the dangerous work environments of off-shore factories for Western retailers, the negligence resulting in the 2010 BP oil spill, Apple's exploitation of outdated tax code, the gender wage gap, the minimum wage debate and increasing income disparity and the unparalleled level of debt in the U.S. and other countries with the challenges it presents to many societies and the considerable impact on the ethics of intergenerational wealth transfers. Key features include: seven volumes, with more than 1,200 signed entries by significant figures in the field cross-references and suggestions for further readings to guide students to in-depth resources Thematic Reader's Guide groups related entries by general topics Index allows for thorough browse-and-search capabilities in the electronic edition. Foundations in Accountancy (FIA) awards are entry-level, core-skill focused qualifications from ACCA. They provide flexible options for students and employers, and as official ACCA Approved Learning Provider - Content, BPP Learning Media's study materials are tailored to the exams students will take. BPP Learning Media is an ACCA Approved Content Provider. Our partnership with ACCA means that our Study Texts, Practice & Revision Kits and iPass (for CBE papers only) are subject to a thorough ACCA examining team review. Our suite of study tools will provide you with all the accurate and up-to-date material you need for exam success. As global concerns grow surrounding the environment, climate, and sustainability, International Perspectives on Sustainability Reporting presents business case studies from different sectors across different regions, highlighting the changing institutional contexts and laws in each country regarding sustainability reporting. In the wake of ethical scandals and close ethical scrutiny throughout business and the accounting professional today, Brooks/Dunn's BUSINESS & PROFESSIONAL ETHICS, 9E provides the ethical insights and strategies you need for corporate and professional success. Learn why ethical behavior is so important and how to recognize potential pitfalls that

involve much more than memorizing rules. You master the skills to develop a corporate culture of integrity that maintains stakeholder support and enables directors and auditors to complete their jobs. You also learn how to use ethical strategies to make decisions, as this edition examines the latest information on governance scandals, legal liability and professional accounting and auditing issues. More than 130 cases and readings highlight new and classic cases of fraud, bankruptcy and unprofessional practices to help you better understand appropriate codes of conduct and sound ethical reasoning while strengthening your persuasive and leadership skills for success.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Corporate social responsibility is now an established agenda for large companies, with a new profession emerging that engages in the social and environmental contribution of business. How has this agenda emerged over time? What were the key events and actors? How has this new "movement" of committed individuals been taking shape around the globe? Insights into these questions come from a review of the first half of first decade of the 21st century. The Corporate Responsibility Movement compiles Lifeworth's highly praised Annual Reviews of Corporate Responsibility from 2001 to 2005. It is introduced with a new overview by the lead author of those reviews, Dr Jem Bendell, in a piece that examines the trajectory of a new social movement in and around business. At a time of searching questions about the future of finance, Dr Bendell argues that a new concept of "capital democracy" is emerging from within the community of people working towards corporate responsibility, which could be mainstreamed as a socially and environmentally enhanced system of economy. He calls on professionals, researchers and policy-makers to embrace an ambitious agenda for corporate responsibility and develop greater insight into acting together as a movement for change. This book is an essential resource for business libraries, recording, analysing and contextualising some of the key events, issues and

trends during this historic period in the development of the corporation. The examining team reviewed P2 Study Text covers all the relevant ACCA P2 syllabus topics and offers examiner advice on approaching the paper. It is suitable for both International and UK study. Additional UK topics are covered in an online supplement. The text introduces ethics, which have an impact on all aspects of financial reporting, and financial responsibility. It also discusses accounting standards, advanced consolidation topics and current issues. The question bank contains case study style questions similar to the ones you will find on the exam. This book presents initiatives that were launched or are currently being pursued in the name of CSR, and showcases how different dimensions of CSR, sustainability, ethics and governance can help to solve global challenges. Contributions by international experts from Australia to Bangladesh and from Nigeria to Spain address current issues in their respective country, such as challenges faced by nations, initiatives launched in the name of CSR, and attempts on the part of small and medium sized enterprises to promote CSR initiatives. This volume provides readers with in-depth insights into CSR and important initiatives around the globe intended to encourage more responsible behavior. The management and balancing of social, environmental and economic sustainability is one of the most complex and urgent challenges facing both private and public sector organizations today; with these challenges of sustainability posing many risks to, and many opportunities for, advancing the aims and performance of organizations. Accounting and accountability processes and practices provide key tools to help organizations to more effectively identify and manage the risks and opportunities of sustainability. Popular features from the first edition are retained, whilst recent developments in theory and practice are accounted for. New substantive chapters on water resource accounting, carbon accounting, and decision making have been introduced and the book continues to benefit from a host of expert contributors from around the world, including Jesse

Dillard, Rob Gray, Craig Deegan. This comprehensive and authoritative textbook will continue to be a key resource for students of accounting and sustainability, as well as being a vital tool for researchers. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. Paper P5 Advanced Performance Management is an optional paper at Professional level. It builds on the performance management techniques introduced in Paper F5. There is also a significant element of strategic thinking and thus P5 has links with paper P3 Business Analysis. The syllabus looks at external factors that affect the organisation's performance such as stakeholders. Internal factors are also considered including the design features of effective performance management information and monitoring systems. Ethics is introduced as a key ACCA topic. Finally, the syllabus considers the impact of current developments in management accounting and performance management on organisational performance. The P5 Revision Kit contains the pilot paper and subject-specific questions covering the syllabus, including many from past exams. The Kit is full of good advice and features to aid your question practice. Read the section on Passing P5 which is subject-specific guidance on tackling the exam. There are plenty of written questions to test your application and evaluation of knowledge at this level. The examiner likes to examine performance measures so there are several exam-standard numerical questions too. Also read the examiner's own comments on past questions as well as his own answers at the back of the Kit. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. This book critically examines the implementation and adoption of integrated reporting (IR) in organizations

and corporations. A relatively new area of policy and practice, IR has rapidly gained considerable prominence since the formation of the International Integrated Reporting Committee in 2010. The book analyzes the outcomes and benefits as well as the shortfalls of integrated reporting. It offers an introduction to the foundations of IR and a comprehensive overview of its use through a number of detailed case studies. Lastly, it discusses the outlook for further developments in sustainability accounting and reporting. BPP Learning Media is an ACCA Approved Content Provider. Our partnership with ACCA means that our Study Texts, Practice & Revision Kits and iPass (for CBE papers only) are subject to a thorough ACCA examining team review. Our suite of study tools will provide you with all the accurate and up-to-date material you need for exam success. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The ACCA F4 Global syllabus seeks to develop knowledge and skill in the understanding of the general legal framework that is relevant to the international business context in which accountants work, of specific legal areas relating to business, and of recognition of the need to seek further legal advice when necessary. The syllabus also covers how businesses are affected by the law, including:

- * The types of business that can be established
- * How companies are formed, administered, financed and closed down
- * How businesses trade
- * The impact of ethics and corporate governance.

This examiner-reviewed F4 Global text takes the reader on a journey from complete novice to an accountant who has a good understanding of the legal issues relevant to businesses in an international context. It comprehensively covers all the detail required to pass the ACCA's law exam and the examiner has commented that "...this is an extremely impressive

text..."e;BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The P1 Professional Accountant exam is based on the themes of professionalism, responsibility and accountability. The syllabus emphasises what is important for a well-run organisation and illustrates the factors underpinning professional behaviour by accountants:

- * Corporate governance arrangements should ensure that the organisation functions smoothly and directors and managers are accountable
- * Corporate governance requires sound systems of internal control and risk management
- * Accountants should think carefully about what their ethical positions are and what views of society their professional opinions support
- * Accountants and businesses should be aware of the social and environmental impacts their activities have.

The P1 Practice and Revision Kit contains invaluable guidance on how to tackle the exam. It focuses on what you should look for in questions on different syllabus areas and what question requirements are asking you to do. The questions the Kit provides enable you to put these skills into practice, as they reflect the types of scenario, question requirements and breadth of coverage that we expect to see in the exam. The Kit includes all the illustrative questions issued by the examiner. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. They summarise the key elements of the F8 syllabus into concise points and include diagrams to help you memorise

information and consolidate your knowledge. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The P7 Advanced Audit and Assurance paper aims to develop further your application skills when analysing, concluding and reporting on assurance engagements, building on the knowledge and skills gained from paper F8. As well as emphasising the practical aspects of carrying out assurance engagements from start to finish, this paper also develops your awareness of best practice and current developments in this field. It focuses on the following key themes:

- * Audit framework and regulation, including ethical and professional considerations
- * Quality control and practice management
- * The audit and assurance process, from planning through to fieldwork and final review
- * Reporting the results of audit and assurance engagements
- * Current issues and developments within the field of audit and assurance.

The examiner-reviewed P7 Study Text includes everything you need for this paper, including detailed guidance on the exam and the pilot paper questions. The question bank includes questions in the style of the P7 paper, and each chapter contains useful exam focus points and chapter roundups. The Study Text provides an excellent source of the main professional and regulatory aspects of audit and assurance engagements, focussing on ethics and regulation and practice management, before going through the audit and assurance engagement process, and ending with a consideration of current issues and developments. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. ACCA Approved and valid for exams from 01 Sept 2017 up to 30 June 2018 - Becker's P1 Governance, Risk and Ethics Study Text has been approved and quality

assured by the ACCA's examining team. BPP Learning Media's status as official ACCA Approved Learning Provider - Content means our ACCA Study Texts and Practice & Revision Kits are reviewed by the ACCA examining team. BPP Learning Media products provide you with the exam focussed material you need for exam success. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. P2 is a very challenging paper which builds on the knowledge and skills acquired at earlier levels in the preparation and analysis of financial reports for single entities and groups. It takes these areas to a higher level, putting into context the role of the accountant as a professional steward and adviser, who is responsible to the stakeholders of an organisation. It has five main sections: 1. Regulatory and ethical framework and current issues 2. Reporting the financial performance of entities 3. Group financial statements 4. Specialised entities 5. Analysis of the financial performance of entities. The main new topics introduced at this level relate to group accounts, but other topics are tested with a different emphasis and in more depth than at the Fundamentals Level. We provide material for both International and UK streams. The study text has been reviewed by the examiner and takes account of his advice on approaching the paper. Ethics, which have an impact on all aspects of financial reporting, are introduced at an early stage in the text, as is corporate social responsibility, so that students do not neglect these topics when covering the numerical areas. Accounting standards come next, combining revision with extension into more advanced areas. After a brief revision of basic groups, the more advanced consolidation topics are covered. Current issues are covered throughout the text within the appropriate topics, and also summarised towards the end of the book. The question bank contains

practice at the case study-style question you will encounter in the real exam. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. Paper P5 Advanced Performance Management is an optional paper at Professional level. It builds on the performance management techniques introduced in Paper F5. There is also a significant element of strategic thinking and thus P5 has links with paper P3 Business Analysis. The syllabus looks at external factors that affect the organisation's performance such as stakeholders. Internal factors are also considered including the design features of effective performance management information and monitoring systems. Ethics is introduced as a key ACCA topic. Finally, the syllabus considers the impact of current developments in management accounting and performance management on organisational performance. This examiner-reviewed Study Text covers all that you need to know for P5. It features plenty of recent case studies illustrating key syllabus areas and questions to hone your understanding of what you have just read. This paper tests your application of knowledge so these studies and questions are key learning tools. You will also find up-to-date information on the latest management theories and techniques which feature highly in this paper. Then there are plenty of exam tips to guide your study and help you focus on what is essential to know. Now it's up to you. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. Choose the best speak-up arrangements for your organisation. The last five years have seen dramatic and fundamental

changes in whistleblower procedures for organisations. Prompted by a spate of important public disclosures, organizations are now mandated by law to implement effective arrangements enabling employees to speak up about perceived wrongdoing. Currently few resources exist to help with this. To help fill the gap, The Whistleblowing Guide examines the opportunities and challenges associated with different types of whistleblowing and speak-up arrangements, making recommendations based on best practices you can trust. Identifies the major organisational, structural and cultural obstacles to speaking up through speak-up arrangements Proposes effective whistleblowing and speak-up arrangements Explains the specific policy and legislation requirements that can promote or impede the effective implementation of speak-up arrangements, and how these can be translated into commercial and public organizations across sectors and cultures Makes a clear distinction between internal and external reporting arrangements The Whistleblowing Guide offers conceptual clarification about these key issues, including a focus on internal and external speak-up procedures, organisational response and communication, impartiality and trust. This book analyzes the relationship between integrated reporting and audit quality within the European context, presenting empirical evidence and drawing on a broad review of the available literature in order to evaluate the ability of integrated reporting to enhance audit risk assessment. Dedicated sections first elucidate the concepts of integrated reporting and audit quality. The main integrated reporting frameworks are compared, the role of integrated reporting within a firm's disclosure is examined, and all aspects of audit risk are discussed. The key question of the impacts of integrated reporting on the components of audit risk is then addressed in detail, with reference to empirical findings, their practical implications, and their limitations. The concluding section explores the future of corporate reporting and the development of the next integrated reporting framework and summarizes the insights that the analysis in the book offers into the

relationship between integrated reporting and audit quality in the European setting. The examining team reviewed P1 Practice & Revision Kit provides invaluable guidance on how to approach the exam and contains past ACCA exam questions for you to try. You will learn what to expect on the test, how to analyse questions and also be able to attempt additional questions prepared by BPP Learning Media that reflect the scenarios and technical questions you will find on the exam. This invigorating Research Handbook focuses on collective ethical issues facing the accounting profession as a whole, as well as the users of the services provided by accountants. Providing an overview of contemporary accounting and ethics issues around the world, it discusses the ethical considerations involved in accounting, including external and internal auditing, tax, forensic accounting, and governance, as well as new areas of research relating to accounting and ethics, through cross-fertilization with other disciplines and presenting multiple innovative perspectives. The examining team reviewed F8 Study Text covers all the relevant ACCA F8 syllabus topics. It provides an excellent introduction to the main professional and regulatory audit and assurance engagements, focuses on ethics and regulation and goes through the entire external audit process as an example of a key assurance engagement. Detailed examples throughout the text will help build your understanding and reinforce learning. The included question bank contains exam style questions. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The P1 Professional Accountant exam is based on the themes of professionalism, responsibility and accountability. The syllabus emphasises what is important for a well-run organisation and illustrates the factors underpinning professional behaviour by

accountants: * Corporate governance arrangements should ensure that the organisation functions smoothly and directors and managers are accountable * Corporate governance requires sound systems of internal control and risk management * Accountants should think carefully about what their ethical positions are and what views of society their professional opinions support *

Accountants and businesses should be aware of the social and environmental impacts their activities have. The examiner-reviewed Study Text provides everything you need to know for P1. It explains the theories behind the key areas of corporate governance and ethics, and demonstrates how the theories translate into practice. The Text gives lots of examples of the risks organisations face. It also shows how businesses are coping with their wider social responsibilities, which the examiner has highlighted as very important. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. BPP Learning Media is an ACCA Official Publisher. The F8 Audit and Assurance paper aims to develop your knowledge and understanding of the process of carrying out an assurance engagement, using the external audit as an example. As well as emphasising the practical aspects of carrying out assurance engagements, this paper also seeks to establish your understanding of the professional regulatory framework in place. It focuses on the following key themes: * Audit framework and regulation, including ethical and professional considerations * Internal audit and how this differs from the external audit * The external audit process, from planning through to audit fieldwork and final review * Reporting - the audit report and other reports. The examiner-reviewed F8 Study Text includes everything you need

for this paper, including detailed guidance on the exam and the pilot paper questions. The question bank includes questions in the style of the F8 paper, and each chapter contains useful exam focus points. The Study Text provides an excellent introduction to the main professional and regulatory aspects of audit and assurance engagements, focussing on ethics and regulation, before going through the external audit process as an example of a key assurance engagement. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

International economic law, with its traditional focus on large multinational enterprises, is only slowly waking up to the new reality of small and medium-sized enterprises (SMEs), entering the global marketplace. In the wake of the digital revolution, smaller companies now play an important role in the global economic landscape. In 2015 the UN expressly called for SMEs to have greater access to international trade and investment, and it is increasingly recognized that the integration of SMEs provides one of the keys to creating a more sustainable and inclusive global economy. As SMEs increasingly permeate transnational supply chains, so interactions between these companies and international economic law and policy proliferate.

Small and Medium-sized Enterprises in International Economic Law offers the first comprehensive analysis of the interaction between SMEs and international economic law. This book presents a broad international perspective, gathering together contributions by leading experts from academia, legal practice, and international organizations. It opens up a field of enquiry into this so far unexplored dynamic and provide a touchstone for future debate. The analysis covers a broad spectrum of international trade and investment law focusing on issues of particular interest to SMEs, such as trade in services, government procurement, and trade facilitation. Diverse perspectives illuminate regional developments (in particular within the EU) and the implications of mega-regional free trade agreements. The essays also examine questions of

legitimacy of global economic governance; in particular, concerns surrounding the threat posed to the interests of domestic SMEs by the growing liberalization of international trade and investment. These essays constitute essential reading for practitioners and academics seeking to navigate a previously neglected trend in international economic law. The best-performing companies have leaders who actively apply moral values to achieve enduring personal and organizational success. Lennick and Kiel extensively identify the moral components at the heart of the recent financial crisis, and illuminate the monetary and human costs of failed moral leadership in global finance, business and government. The authors begin by systematically defining the principles of moral intelligence and the behavioral competencies associated with them. Next, they demonstrate why sustainable optimal performance—on both an individual and organizational level—requires the development and application of superior moral and emotional competencies. Using many new examples and real case studies and new interviews with key business leaders, they identify connections between moral intelligence and higher levels of trust, engagement, retention, and innovation. Readers will find specific guidance on moral leadership in both large organizations and entrepreneurial ventures, as well as a new, practical, step-by-step plan for measuring and strengthening every component of moral intelligence—from integrity and responsibility to compassion and forgiveness. The authors also provide practical ways for readers to develop their own moral and emotional competencies. BPP Learning Media is an ACCA Approved Content Provider. Our partnership with ACCA means that our Study Texts, Practice & Revision Kits and iPass (for CBE papers only) are subject to a thorough ACCA examining team review.
