The stakes quickly escalate to a wider geopolitical stage as Paul aligns with unlikely allies. A lethal network of war profiteers working in the shadows aim to prolong the chaos--no matter what the human cost. *Against the Dusk* is a fast-paced, thought-provoking contemporary thriller that engages the reader on multiple levels. The story careens from the canyons of Manhattan to the dusty villages of the Euphrates valley, capturing elusive elements of our era's troubled zeitgeist. The author's keen

ability to call forth fresh insider detail from his own experience, anchors the prose in a domain of the relevant and real. A memorable cast of heroes and villains springs to life well beyond the page. The multi-faceted narrative also explores themes of radical free will and the nature of art.

**Dusk** Mar 17 2022 With *Dusk* (originally published in the Philippines as *Po-on*), F. Sionil Jose begins his five-novel Rosales Saga, which the poet and critic Ricaredo Demetillo called "the first great Filipino novels written in English." Set in the 1880s, *Dusk* records the exile of a tenant family from its village and the new life it attempts to make in the small town of Rosales. Here commences the epic tale of a family unwillingly thrown into the turmoil of history. But this is more than a historical novel; it is also the eternal story of man's tortured search for true faith and the larger meaning of existence. Jose has achieved a fiction of extraordinary scope and passion, a book as meaningful to Philippine literature as *One Hundred Years of Solitude* is to Latin American literature. "The foremost Filipino novelist in English, his novels deserve a much wider readership than the Philippines can offer."--Ian Buruma, *New York Review of Books* "Tolstoy himself, not to mention Italo Svevo, would envy the author of this story."--*Chicago Tribune*

*Friends of the Dusk* Apr 18 2022 A medieval legend spawns an unhealthy cult, and a terrifying 13th case for Merrily Watkins. When autumn storms blast Hereford, centuries-old human bones are found among the roots of a tree blown down on the city's Castle Green. But why have they been stolen? At the nearby Cathedral, another storm is building around a new, modernizing bishop who believes that if the Church is to survive it must phase out irrelevant archaic practices. Not good news for Merrily Watkins, consultant on the paranormal or, as it used to be known, diocesan exorcist. Especially as she's now presented with the job at its most medieval. In the moody countryside on the edge of Wales, a rambling 12th-century house is thought to be haunted. Although its new owners don't believe in ghosts, they do believe in spiritual darkness and the need for exorcism. But their approach to Merrily is oblique and guarded. No-one can be told—least of all, the new bishop. Merrily's discovery of the house's links with the medieval legend of a man who resisted mortality threatens to expose the hidden history of a more modern cult and its trail of insidious abuse—a trail that may not be closed.
