The Male Body: An Owner's Manual is the first book ever to offer all the tools and methods a man needs to live longer, stronger, healthier and wiser. The writers and editors of Men's Health Books consulted with more than 350 top experts to put together the most comprehensive guide possible for taking control of a man's health and well-being. Inside you'll find: * A complete weight-training guide for fitness and health * Proven methods for beating stress, fatigue and mental burnout * Exercises, foods and lifestyle techniques for keeping every single body part healthy and injury-free * Frank advice on improving your sexual performance * The medical tests every man must have done, and when * Simple ways to drastically reduce your chances of cancer or heart disease * Surprising tricks to improve your hearing, sight, smell, sleep, even your fingertip sensitivity * The right way to shake a hand, trim a beard, clip a nail, even pick clothes for your particular body type Written in the style and tone of America's most popular men's magazine, and illustrated with more than 200 photos and drawings, The Male Body: An Owner's Manual by K. Winston Caine, Perry Garfinkel, and the Editors of Men's Health Books is an essential resource for any man who values his health and life. This manual is your personal life coach in a book. It will guide you through Strengths, Emotional Intelligence, Love Languages, Turning Points, Life Wheel Evaluation, Time Usage, Core Values, and more. Craig teaches you to synthesize all of that into your own ONE PAGE LIFE PLAN—a dashboard you can use every day to accomplish your goals. Are you carrying extra weight, especially around the midriff, that you'd like to get rid of? Are you confused by conflicting and contradictory weight loss information, and just want something that really works? Do you want to transform the look and feel of your body, without having to turn your life upside down? If you're looking for a practical and easy-to-apply approach that provides long-lasting results, Waist Disposal is where you'll find it. In this book, Dr John Briffa draws on hundreds of scientific studies to debunk popular myths about diet and exercise, and reveals the most effective way to lose fat and build an athletic physique. Inside, you'll discover: • the foods that, irrespective of calories, cause fatness, and the foods that don't • why weight loss is not the goal – fat loss is • why counting calories doesn't work, and what does • how hunger scuppers fat loss, and which foods sate the appetite the best • how to get fit and toned with just 12 minutes of exercise a day • how to harness the power of your mind to accelerate your progress. A refreshing antidote to the bewildering mass of information on diet and fitness, Waist Disposal gives you all the tools you need to leave calorie counting and strict regimes behind, and get the body you've always wanted. Cutting-edge, user-friendly, and comprehensive: the revolutionary guide to the brain, now fully revised and updated At birth each of us is given the most powerful and complex tool of all time: the human brain. Dale L. Berne, Ed.D., a longtime real estate investor, shares his tricks of the trade investing in residential and commercial rental properties. He reveals a hundred names and contact points of people and places that you can reach to find, fund, sell, and protect properties. The author writes in a clear, concise, and understandable manner to help you: flip and sell houses in all kinds of markets; hold your properties as long-term investments; evaluate foreclosures, vacant houses, physically-distressed properties, and upscale houses and business sites; and manage and preserve hard-earned assets. While investing in real estate won't make you rich overnight, the strategies, methods, procedures, techniques, and knowledge in this manual—applied over time—will put you on the pathway to earning massive wealth. All the techniques you need to become an expert navigator. The retail sector is in the midst of a chrysalis period (major transformation) that is forcing most retailers to recalibrate their intentions with how they execute their business strategies. Many retailers are struggling with adapting to the NEW RETAIL ETHOS which is flummoxing a large segment of retail executives with how to correspond with fluctuating consumer demands in the digital age. Fortunately, this is creating a cacophony of opportunity for retail leaders to establish heuristic methods that will create an axiomatic bridge between legacy retailing of the past to the highly innovative, enthralling, and multisensory digital world of tomorrow, thus, creating an engaging retail utopian future. WITHIN THIS MANUAL YOU WILL LEARN* Four Techniques to Drastically Increase Net Income* The No-Limit Concept to Increase Revenue and Skyrocket Your Gross Margin Levels* Six Methods for Abolishing Revenue Deterrents and Increase Customer Brand Loyalty* How to Increase Top-Line Revenue and Maximize Per Square Foot Revenue* How to Attract and Retain Top-Notch Talent Throughout Your Organization* How to Create an Inclusive Environment for Your Employees & Customers* Feng-Shui Techniques to Foster an Environment of Auspicious Energy* How to Promote the Right Leaders and Reward Your Employees These retail concepts are a series of compounding ideas that create an overall advantageous synergistic effect. They generate effectual momentum analogous to The Flywheel Effect that Amazon CEO Jeff Bezos incorporates which creates a "virtuous cycle" a.k.a. a positive feedback loop. This translates into a magnetic and interactive shopping environment that is built upon solid foundations, devoted relationships, transparency, and an amalgamation of concrete values that truly serve your customers. This retail manual was created to assist any new or experienced retail leader (department manager up to the C-Suite executive) with acclimating to an experiential retail environment while supplementing and enhancing their existing retail acumen. 'Change Your Life One Day at a Time' includes 365 practical and accessible pieces of advice that can be easily incorporated into everyday life. The book works on the principle that the cumulative effect of such simple changes and moments of awareness will enable noticeable, holistic improvement. Distributed evenly across four seasonal chapters, the entries cover nutrition, mind, relationships, physical environment, fitness and natural beauty - so everything from eating blueberries to watching a sunset. This book is here to help you realise how many lifestyle choices - the food you eat, the gestures you make, your pastimes, the way you think - are within your power to change for the better. The ultimate guide to living in the wild from finding shelter and food to knowing the many uses for antlers, mud, animal fat and more. Imagine being dropped in the woods with little more than a knife, your wits, and the shirt on your back. You'd need more than luck to survive. You'd need the knowledge and skills covered in *Ultimate Bushcraft Survival Manual*. In this book, survival expert Tim MacWelch examines how primitive cultures around the world and throughout history have made their own shelter, weapons, tools, and more. He also shares clever, MacGyver-style ideas for repurposing anything you might find in your pockets or pack. Whether your goal is to test yourself against nature, be prepared for any catastrophe, or learn more about traditional survival techniques, this is the book for you. A practical guide for modern-day parenting geared towards stay-at-home dads, offering advice on everything from learning to cook and clean with children, to dealing with mental health and relationships, with the easygoing perspective that dads can use their natural talents to parent any way that they choose. The *Ultimate Stay-at-Home Dad* manual takes the best advice and wisdom from a dad's group, and puts it into a format to help new stay-at-home fathers. Characterized by actionable and direct advice to fathers, the book takes on parenting from a father's point of view and encourages dads to use their natural talents to become a better parent. That advice is further bolstered by an additional 57 other dads who also give advice. All this advice is framed by the author's personal stories, which help the reader connect with the content and drives the advice home. This is a book that takes on day-to-day parenting, not just as a stay-at-home dad--working fathers could benefit from this book as much as at-home dads. Learning to knit can be frustrating when it takes too much time and effort to begin your first project. The *Beginner's Knitting Manual* introduces an array of stylish projects -- cardigans, scarves, socks, and more -- that offer a quick start. Even if you've never tried to knit, you'll find that it offers plenty of chances to make something interesting, satisfying, practical, and beautiful. Step-by-step instructions, accompanied by full-color photos and stitch patterns, are suitable for intermediate-level knitters as well as beginners. As you advance through the book, you'll notice that the patterns gradually become more complex. But they'll remain easily achievable, as your skills and confidence gradually develop. Even the more experienced will find this volume a great go-to reference for essential techniques, including cables, knitting in the round, colorwork, and much more.
